Connect with Innovation™

NeoTV™ 550 Ultimate HD Media Player

NTV550

PRODUCT OVERVIEW

Bring all your digital media to your TV. Play movies, music, and photo collections stored on your networked devices (such as PC, Mac, and network attached storage). The NeoTV™ 550 also provides easy access to files stored on your USB drives and SD cards.

- Plays your digital movies in full high definition 1080p and stunning Dolby Digital or DTS surround sound
- Automatically scans your networked and local devices, and organizes your movies, music, and photos
- Live Browsing provides easy and fast access to your media collection
- Built-in SD card slot for convenient access to personal photos and videos (AVCHD™ compatible)
- Compatible with a wide range of media file formats including Blu-ray™
- Delivers your movie sound tracks in HD 7.1 surround sound
- Improved video and audio navigation using cover art instead of file names
- Remote with shortcuts for quick selection and ease of use
 - Source: Directly access your networked and local devices
 - Audio: On-the-fly language selection
 - Subtitle: Display subtitles and change appearance

AV SERIES
