Samsung recommends Windows 8 Pro

Samsung Notebook SERIES 9 13"

Impossibly Thin. Impeccably Crafted.

Not everyone gets to experience something so rare. The Samsung Series 9 features the **thinnest and most compact 13" notebook**^{*1}, with the **new 3rd generation Intel® Core™ processor** and **SuperBright Plus (400 nit) screen**. Its innovative engineering craftsmanship really breaks the mould.

Samsung recommends Windows 8 Pro

Exquisite design by craftsmanship

World's thinnest^{*1} and most compact^{*1}

It's only 0.5 inch (13.2 mm) deep thanks to Samsung's engineering craftsmanship using super-slim components and single shell body.

Never before seen design

Complement your own sense of style with an exclusive premium look, featuring the refined aerodynamic design and full metal body with a sophisticated Mystic Silver color.

Smart usability

Auto-sensing screen & keyboard

Automatically adjust to the light conditions to provide optimum brightness for maximum comfort and ease of use.

Superior multi-touch clickpad

Enjoy better control and fewer accidental palm movements using a large multi-touch clickpad. It supports various gestures for sophisticated and intuitive navigation.

Easy one-click control

Simply take control of your notebook and optimize performance with Samsung's Easy Settings, providing one-click execution and minimal steps to adjust simple functions.

^{*1} Compared to 13" laptops of major manufacturer, as of March 2012.

^{*2} Speed will vary depending on the CPU and SSD configurations, applications used and wireless settings.

Samsung recommends Windows 8 Pro

Cutting-edge technology

Visually richer, instantly faster

Everything you do is quicker, crisper and more life-like with the Samsung Series 9, featuring the new 3rd generation Intel® Core™ processor.

Samsung Fast Solutions

Get more done and avoid wasted time and stress with a blazingly fast performance – World's fastest boot-up in 8.7 seconds^{*2} and wake-up in 1.4 seconds^{*2}.

Clearer, brighter and wider screen

Every photo, video, website and document looks stunning with a brilliant HD+ (1600 x 900) SuperBright Plus screen with 400 nit brightness. It's also anti-reflective and has a 170° viewing angle.
