# Samsung Notebook

## SERIES 3 300E

Enjoy long-lasting performance, reliability and value.

The battery lasts **3x longer**, while an anti-fingerprint finish keeps it looking good. Also, **anti-reflective display**, **lightweight** and **portable design** with a **slim bezel** and up to **6.5 hour battery life\*** you can go anywhere.

\* Battery life based on MobileMark test scores that will vary based on configuration.

Samsung recommends Windows 8 Pro.

## Outstanding Mobility

### Lightweight design with slim bezel

Weighing 2.28 kg / 5.02 lbs (15.6") with a slim bezel that's as thin as a finger the ultra lightweight design provides maximum portability.

### Sharper, clearer images – for longer

Anti-reflective HD LED display produces sharp, bold images, even outdoors, with no mirror effect.

### Up to 6.5 hours\* battery life

With an extended battery life of up to 6.5 hours\* (15.6") on a single charge you can carry on working for longer on the move.

\* Battery life based on MobileMark test scores that will vary based on configuration.

## Uncompromising performance

### Fast start

Instant on within seconds of opening the display or pressing the power button.

### Optimized Intel® processor

Choose the right performance for you with an Intel® Core™ i5/i3\*, Pentium®\* or Celeron®\* processor.

\* Factory option.

Samsung recommends Windows 8 Pro.

## Smart Usability

### The key to easier use

High quality, full-size island keyboard with numeric keypad makes typing easier.

### BatteryLife Plus – Anti-aging battery technology

Battery charging using anti-aging technology keeps 80% of its original capacity for up to 1,000 recharges.

### Easy Settings - Easy to manage

Lets you quickly and easily optimize your computer's performance.

### Easy Migration - Get started quick

Easy Migration provides a hassle-free way to transfer data and settings from one Samsung PC to another.
