General Information

For information on safety instructions, cleaning, technical information or connecting to a switchboard, please see the 'General Information' section in the full user guide at bt.com/producthelp.

Guarantee

Your BT Home SmartPhone is guaranteed for 12 months from the date of purchase.

Subject to the terms listed below, the guarantee will provide for the repair of, or at BT's or its agent's discretion, the option to replace the BT Home SmartPhone or any of its components, (other than batteries), which are identified as faulty or below standard, or as a result of inferior workmanship or materials. Products over 28 days old from the date of purchase may be replaced with a refurbished or repaired product.

The conditions of this guarantee:

- the guarantee shall apply only to defects that happen within the 12-month guarantee period
- you'll need proof of purchase
- you return the equipment to BT or its agent as instructed

This guarantee doesn't cover any faults or defects caused by accidents, misuse, fair wear and tear, neglect, tampering with the equipment, or any attempt at adjustment or repair other than through approved agents.

This guarantee does not affect your statutory rights.

To find out what to do if your phone is in or outside of the 12-month guarantee, please see the full user guide at bt.com/producthelp.

How to recycle your equipment

The symbol shown here and on the product means that the product is classed as electrical or electronic equipment, so DO NOT put it in your normal rubbish bin.

It's all part of the Waste Electrical and Electronic Equipment (WEEE) Directive to recycle products in the best way – to be kinder to the planet, get rid of dangerous things more safely and bury less rubbish in the ground.

You should contact your retailer or supplier for advice on how to dispose of this product in an environmentally friendly way.

Emergency calls

You won't be able to call 999 from this phone if there's a power cut, so make sure you've got another way to call for help in an emergency.

R&TTE Directive & Declaration of Conformity

This product is intended for use within the UK for connection to the public telephone network and compatible switchboards.

This equipment complies with the essential requirements for the Radio Equipment and Telecommunications Terminal Equipment Directive (1999/5/EC).

For a copy of the Declaration of Conformity, go to bt.com/producthelp.

Information

You should only use the adaptors, cables and battery supplied (3.7v 1400 mAh Li-ion Polymer) with this product otherwise it may not work.

If you need to remove the battery, use your fingernail to ease the rear cover off, starting at the bottom of the handset and working your way round. Then take the battery out. Any replacement rechargeable battery must be of the same type. BT accepts no responsibility for damage caused by the use of any other type of battery.

Your Home SmartPhone is set to allow unknown sources so that you can download apps from the Opera Mobile Apps store. BT does not accept responsibility for any loss or damage that may be caused to your phone or personal data as a result. This setting can be changed in Application settings.
